Magnificent exceptional duplex with private entrance, large heated indoor swimming pool, hammam and breathtaking views of the sea and the port from all rooms.

An elegant entrance leads to the first three bedrooms, each with its own bathroom and dressing rooms, while offering superb views of the harbour.

The reception area then consists of a large living room and a dining room bathed in light thanks to the large bay windows opening onto a pleasant terrace with a spectacular panorama of the port.

At the far end of the apartment is the sumptuous master suite, with two bathrooms, one of which has a jacuzzi, as well as two dressing rooms. This suite also enjoys an exceptional view of the sea and the port.

To the rear of the apartment, a pleasant skylight leads to a very large fully equipped kitchen. This space also includes a staff room with bathroom, a laundry room and plenty of storage.

A magnificent staircase leads to the lower floor, dedicated to well-being and relaxation, where there is a large heated swimming pool, a large space that can accommodate a fitness room and a hammam. Large glass openings offer a direct view of the port.

To the rear of the pool, a large additional bedroom, which can be converted into a self-contained studio, has its own bathroom and floor-to-ceiling windows with views of the harbour.

Four parking spaces and two cellars complete this rare and prestigious property.
